Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Sunday 25 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some late sunshine this evening. Cloudier with rain on Monday.

This Evening and Tonight:
A fine and dry evening and night are expected, with clear spells dominating. Turning chilly with a chance of frost during the early hours of Monday, mainly in western rural spots. Some patchy cloud along the east coast. Minimum temperature 1 deg C (34 deg F).

Monday:
Dry and bright start on Monday. Turning cloudier from the north with patchy rain during the afternoon, heavy over the hills. Rain spreading to all during the evening. Maximum temperature 12 deg C (54 deg F).

Outlook for Tuesday to Thursday:
Less settled and colder, with some rain or showers spreading erratically southwards during the period. The showers are likely to be more widespread on Wednesday and Thursday. Some chilly nights.
